Representative Matters

- Represented ABL division of a national bank as administrative agent in the structuring, negotiation, and closing of a \$450 million senior secured revolving line of credit facility to a supplier of critical care pharmaceuticals (including biopharmaceuticals and blood products). Loan negotiation included matters relating to a change in control as a result of a substantial investment by a strategic investor.
- Represented ABL division of a national bank as administrative agent in the structuring, negotiation, and closing of a \$150 million senior secured revolving line of credit facility to a consumer electronics company which is one of the largest manufacturers of connectivity devices. The facility includes a UK sub-facility as well as in-transit inventory borrowing base.
- Represented a national bank as lender in the structuring, negotiation, and closing of a \$30 million secured revolving line of credit and term loan facilities to one of the largest U.S. distributors of Mexican soft drinks and food products. The facilities included collateral located in Mexico.
- Represented the technology finance division of a national bank, as administrative agent in the structuring, negotiation and closing of a \$30 million cash flow facility to a leading software provider of enterprise information management software. Representation in this sponsor-backed deal involved the acquisition of the Borrower, UK based collateral and intellectual property collateral.
