Areas of Practice & Industry Specialties

Dispute Resolution; Litigation; Health Care Law

Devan McCarty is Special Counsel and a member of the Litigation and Health Care Practice Groups in the Firm's Sacramento office. Mr. McCarty represents health care clients in a wide range of disputes involving reimbursement of health care services, including pursuant to hospital system and health plan contracts, including managed care contracts, leased network PPOs, administrative services contracts, as well as reimbursement for services by non-contracted health plans. Mr. McCarty's work includes issues related to commercial payers as well as Medicare and Medicaid managed care. Mr. McCarty's work often focuses on addressing the intersection of clinical and reimbursement issues, and he has extensive experience working with large data sets of clinical and financial information.

Most recently, Mr. McCarty was recognized as one of Sacramento Magazine's 2022 Top Lawyers in the field of Health Care Law.

Representative Matters

Reimbursement/Managed Care Disputes

- Represented hospital clients in breach of contract actions for recovery of underpaid claims for hospital services, addressing issues related to medical necessity, coding, authorization, delegation, among others. These matters have resulted in recovery of many millions of dollars.
- Successfully represented Hospital System in dispute regarding unpaid and underpaid emergency claims, resulting in significant financial recoveries.
- Represented providers in disputes regarding health plan's post-termination payment obligations, including enforcing statutory and regulatory Continuity of Care requirements.
- Represented Hospital System in disputes involving obligations of third party payers, including application of the Silent PPO Statute.
- Represented Hospital System in recovery of over \$1 million for emergency services provided to members of non-contracted Medi-Cal managed care plans.
- Represented Medical Group in dispute regarding Medi-Cal reimbursement for E&M and vaccinations.
- Represented County Medical Services Program in issues related to payment of substance abuse services.

Managed Care Advice and Counsel

- Advised hospital clients in drafting and negotiating in-network managed care agreements and leased network agreements.
- Assisted hospital clients with development of policies and procedures for implementation of utilization management requirements.
- Counseled hospital clients on expansion of Medi-Cal reimbursement through implementation of hospital tax to increase federal matching funds.

- Represented Hospital System in work groups with the Department of Health Care Services for development of Medi-Cal rates.
- Represented client in due diligence regarding the value of managed care accounts receivable in potential health care acquisition.

Business/Commercial Litigation

- Represented Medical Group Board Members in corporate governance dispute, protecting the interest of the entity against attempts by minority shareholder to take control.
- Obtained dismissal for Psychiatric Hospital in lawsuit regarding the allegation of wrongful involuntary psychological hold.
- Represented Hospital System in issues related to agreement with county to maintain access to hospital services.
